To Whom It May Concern;

I have studied options for last couple years and am very successfully using them to reduce risk and generate income in my IRA. I think it would be wrong to have a rule forbidding people to use options, especially since they provide a vehicle which generates income.

Since this increases the size of my account and it will increase the taxes paid when I decide to withdraw those funds.

Please allow me to have the option to choose.

Sincerely,

Dejanka Dejanovic
